### **OUR OBJECTIVES**

- To inspire and develop responsibility for the preservation of the Assyrian heritage and culture among all Assyrians regardless of religious, tribal, or political affiliations
- To foster an interest in social, educational, civic and economic activities among all Assyrians
- To promote higher education and to establish an educational center for advanced studies in the Assyrian language and history
- To assist Assyrian charitable and educational organizations in all aspects of legal, economics, civic and social needs as deemed necessary
- To promote the Assyrian culture and history through various media, and through outreach and engagement to the greater North Texas community
